Very stable with a hint of optimism is what the PGG Wrightson catalogue was greeted with at the final wool sale for 2023 in Napier this morning. Fleece wool saw a good amount of interest with some lots getting over that magic \$3.00 greasy mark again today, new season Lambs wool was solid in price and second shear lifted in value compared to the previous Napier sale.

*On behalf of the PGGW wool team we hope you have an enjoyable and safe festive season.*
