A very solid sale was held in Napier this morning with most wools selling in growers favour. A number of big lines from some well-known stations were greeted with strong bidding and any super good wools were also extremely well sought-after. Some quality lines of Central Hawkes Bay fleece wool got extremely close to the \$3.00 greasy mark along with some quality Lambs wool which broke the \$3.00 greasy mark. We are now on the weekly rotation for North Island wool sales to accommodate the large volume of wool that is arriving in store daily.
