A couple of over inflated prices from the Napier sale last week has seen a price adjustment for a few wool types. The rest of the wools marketed by PGG Wrightson today however held to a very firm level. Good styled lambs wool saw very strong competition, very good styled fleece wool sold extremely well and some of the poorer coloured fleece wool also had a great deal of attention from the trade and sold to a strong market.'

Regards, Steve Fussell, North Island Auctioneer
