NC = No Change
 N/A = Not Available

With some positive talk coming from the Napier wool scour and the smaller amount of wool being offered going forward, the market has reacted with a positive feel and improved in value for most types compared to the last Napier offering. Oddments seemed to be in favour today along with many fleece types offered. Poorer coloured wools have remained solid in price and some of the shorter wools sold to buyers favour this morning.

Regards, Steve Fussell, North Island Auctioneer
