**Crossbred Oddments** ↑ 2% \$2.19

NC = No Change  
 N/A = Not Available

The wool sale in Napier came under some pressure this morning resulting in a fall in the market indicator. In real terms it was the very good styled new shears that were the most affected and came back in price. Most other wool types remained steady, and we saw another small rise in value for the oddment wools. The next sale in two weeks in the last of this wool selling season and will be held on Wednesday the 26th of June.

**Regards, Steve Fussell, North Island Auctioneer**
