The tone remained strong at the wool sale in Napier this morning but with a slight adjustment in price for some of the longer wools the market indicator has fallen. Very good styled and good styled wools sold at not much difference in price particularly in the second shear areas. With this being the final "wool sale" for the 23-24 season I would like to thank you on behalf of the PGW Wool team for your continued support and look forward to the new wool season ahead.
