A very solid North Island wool sale was completed this morning at levels similar to the previous Napier sale. A double North Island and South Island sale did not dampen the mood in the sale room with exporters continuing to chase the market along. The stand out of the sale today was the rise of very good styled finer lambs wool and also some of the poorer styled lines which have closed the gap in value to wools of better type.

Regards, Steve Fussell, North Island Procurement and Sales Manager
